TERMÉK KÁRTYA

Protective boots, S3, SRC,size 44

Termékleírás

Men's safety boots that are in accordance with safety class S3 ISO 20345:2011. High-quality cowhide leather favors the convenience and comfort of use. The boots are equipped with a composite toe cap that protects the toes and a Kevlar puncture insert in the sole that allows you to work on the ground with sharp protruding objects. Thanks to the non-slip sole, the footwear is perfect for walking on uneven and slippery surfaces. On the other hand, anti-electrostatic properties guarantee safe use of shoes in both dry and wet environments. Shoes recommended in the industrial, logistics, transport and construction industries. Perfect for outdoor works.
