PRODUCT INFORMATION SHEET

BERKEL S1P SRC safety shoes, black/orange, 44

Product description

Men's safety ankle boots in line with the S1P safety class according to ISO 20345:2011. Shoes made of natural leather contribute to the convenience and comfort of use. The shoes are equipped with a steel toe cap that protects the toes, among others against falling objects, debris, tools. Thanks to the non-slip sole, the shoes are perfect for walking on uneven and slippery surfaces. Shoes recommended in the logistics, transport, automotive industry, renovation and construction works. They are perfect for closed rooms (e.g. halls).
