

## PRODUCT INFORMATION SHEET

### Rubber insulated extension cable 30m

#### Product description

High quality extension cord in rubber insulation. For connecting all electrical appliances, e.g. lawnmowers, power tools, vacuum cleaners, garden equipment, etc. Perfect for operation in difficult conditions both indoors and outdoors, e.g. at construction sites or workshops. Made of a flexible cable to facilitate coiling.

#### Characteristics

- cables in natural rubber insulation H05RR-F, characterized by high resistance to mechanical damage, weathering, chemicals
- IP44 standard extension cord guarantees resistance to dust and splash, enabling its use outdoors
- black cable with three copper conductors, 1,5 mm<sup>2</sup> diameter each
- sockets with child-proof covers and splash-proof flaps.
