

PRODUCT INFORMATION SHEET

Cutting cable pliers 200 mm, CrV

Product description

For cutting single and multi-core cables and wires made of copper or aluminium. Designed for moderate and heavy duty work. Characteristics • made of high quality chromium-vanadium steel • shaped cutting edges increases cutting accuracy by preventing slipping of cables or wires • high cutting edge hardness for precision cutting of cables • heat treated, ground blades ensuring clean cuts • durable and deformation resistant • bi-material, shaped, anti-slip handles for a comfortable and secure grip

Characteristics

- maximum cable cutting diameter: 15 mm
- product description for cutting single and multi-core cables and wires made of copper or aluminium. designed for moderate and heavy duty work. characteristics
- made of high quality chromium-vanadium steel
