

PRODUCT INFORMATION SHEET

Pipe Threader Set 1/2" - 2"

Product description

The manual threader for cutting pipe threads enables precise threaded connections needed for repair, construction and hydraulic works. All threading heads have the same mounting. A simple way of mounting the head in the knob and a smooth-running ratchet enable quick switching of the threading direction.

Charakteristics

- body made of ductile cast iron;
- head blades made of the highest quality hardened 9CR2 high speed steel;
- reversible ratchet with handle;
- cast iron cap for greater rigidity and better thread quality;
- long handle covered with a layer of non-slip plastic for comfortable operation with minimum effort;
- set comes in a plastic case.

The set includes

- 6 die sizes: 1/2", 3/4", 1", 1 1/4", 1 1/2", 2";
- ratchet;
- 2 handle extensions.
