

## PRODUCT INFORMATION SHEET

### Insulated combination pliers 200 mm, 1000 V, VDE

#### Product description

Combination pliers designed for cutting and forming of conductors and wires. Certified for working under the voltage of 1000 V, under medium and heavy loads.

#### Characteristics

- compliant with EN 60900;
- VDE 1000 V certificate;
- made of high-quality chromium-vanadium alloy steel resistant to deformation;
- lap joint with rivet for increased durability and reliability;
- inductively hardened cutting edges - hardness of 55-60 HRC;
- drop-forged;
- two-component, insulated handle for a comfortable grip and superior performance;
- integral guards preventing hand contact with conductive parts.
