

PRODUCT INFORMATION SHEET

Set of T-handle torx security wrenches

Product description

10-piece set of long precision torx security wrenches, made of the highest quality S2 alloy steel, guaranteeing maximum strength and resistance to deformation and twisting. The use of the T-handle increases the comfort of use and ensures a secure grip. They are perfect for loosening and tightening screws in tight spaces. They are indispensable in workshop, renovation and construction works or in every household.

Charakteristika

- made of the highest quality S2 alloy steel, which guarantees maximum strength;
- resistant to deformation and twisting;
- elongated profile, using the leverage effect, allows you to work with increased force;
- the use of the T-shaped handle provides a comfortable and secure grip.
