

PRODUCT INFORMATION SHEET

Mini grinder battery powered

Product description

Cordless mini grinder for drilling, sanding, polishing, milling, engraving, cleaning etc. For processing wooden and metallic materials, plastics, minerals, glass and ceramic products. For both professional and hobby use.

Characteristics

- 5 speeds of 5000-25000 rpm enable comfortable operation and better control;
- stepless speed control ensures that the working speed is adapted to the type of material being processed;
- safety function – the grinder automatically switches off when the material is wedged;
- LEDs illuminate the surface processed;
- high quality bearings guarantee a long life;
- powerful lithium-ion battery;
- spindle lock allows quick and easy tool changes;
- small size of the device and the lack of a plug allow you to reach inaccessible places;
- practical and durable metal lockable case with containers and accessories handles;
- 27 additional accessories included.
