

## PRODUCT INFORMATION SHEET

### Foam gun

#### Product description

A gun designed for polyurethane foam. Recommended for insulating, sealing and gap filling.

#### Characteristics

- high quality aluminium and chrome-plated body;
- spout made of stainless steel;
- highly durable internal foam-jet adjustment system;
- handy and ergonomic adjustment system for one-hand injecting and jet control;
- precision-made metal nozzle with a life of up to 100,000 cycles without leaks caused by worn seals;
- simple spout-removal system for easy cleaning;
- the foam-gun design prevents clogging during rapid internal pressure spikes and the so-called back-leaks;
- 2 x 200mm igelit hoses;
- 2 conical tips.

#### Technical data
