

TERMÉK KÁRTYA

DITTER kapucnis softshell kabát fekete 2XL (56)

Termékleírás

The functional and stylish DITTER jacket is designed with protection and work comfort in mind. Thanks to high water resistance, it provides excellent protection against wind and rain, which allows for safe traversing any route, regardless of the weather. In addition, the breathability parameter ensures comfortable air circulation, keeping the skin dry and fresh. The jacket has practical pockets for safe storage of the necessary small items. The softshell material perfectly adapts to the user's movements, ensuring high wearing comfort. Adjustable cuffs and a detachable hood provide possibility to adjust the product to your preferences and current weather conditions.
