

JADE insulated warning trousers yellow L

Termékleírás

Men's insulated pants made of top quality materials. Two reflective tapes around the knees. Provides maximum comfort and protection from the cold and wind. Protects against rain (2000 mm H₂O waterproof). Increases safety in low visibility conditions such as when working at night and during poor weather conditions such as rain or fog. Especially recommended in the fall and winter.

The product's yellow colour scheme is aimed at industries where workers need to be highly visible, including those building roads, streets, refineries, working in seaports, oil rigs, mineshafts, airports and in mountain rescue.

Jellemzők

- fabric: 100% polyester, Oxford 300D, PU coating, water resistance 2000 mm H₂O;
- outer layer: Oxford 300D weave for greater fabric strength, PU-coated;
