

TRAUN softshell warning trousers yellow L

Termékleírás

Men's warning softshell trousers made of the highest quality materials. They perfectly protect against cold and wind. The softshell material is flexible. It adapts to the user's movements and ensures high wearing comfort. Pants are perfect wherever protection against external factors is necessary. They increase safety when staying in conditions of limited visibility. The trousers are excellent for moving at night and in bad weather conditions, such as rain or fog. Oxford fabric knee reinforcements prevent tearing.
