

PRODUCT INFORMATION SHEET

ABENS Hi visibility rain trousers yellow L (52)

Product description

Men's high-visibility rain trousers made of the highest quality materials. They are distinguished by lightweight and air permeability, they ensure maximum wearing comfort. They protect against rain (water resistance at the level of 2000 mm H₂O) and wind. They increase safety when staying in conditions of reduced visibility, e.g. during movement at night and during bad weather conditions, e.g. rain or fog. The yellow colour of the product is aimed at industries in which employees must be visible, for example people building roads, streets, refineries, people working in ports, on oil rigs, at mining shafts, airports or mountain rescue.

Characteristics

- material: 100% Oxford 300D polyester, PU coating;
- water resistance 2000 mm H₂O;
- product compliant with standards: ISO 13688, EN ISO 20471 class 1 and EN 343;
- taped seams to prevent water ingress;
