

PRODUCT INFORMATION SHEET

Work shoes, SRC, S1, size 40

Product description

Men's safety shoes conforming with S1 safety class according to ISO 20345: 2011. Footwear made of high-quality KPU material providing convenience and comfort of use. Shoes are equipped with steel toes that protect toes, among others against falling objects, debris, tools. Due to the anti-slip sole, they are perfect for walking on uneven and slippery surfaces. Shoes recommended in logistics, transport, automotive industry, renovation and construction works. They are perfect for indoor use (e.g. halls).
