

PRODUCT INFORMATION SHEET

HOSEL protective boots SB SRA navy/blue 40

Product description

Men's protective boots made in accordance with SB category of work-protective shoes according to ISO 20345:2011. High-quality workmanship of suede leather provides convenience and comfort of use. Boots are equipped with steel toe caps which protect toes, among others, against falling objects, rubble, tools. Footwear is perfect for walking on uneven and slippery surfaces due to anti-slip soles. Boots have an additional collar made of soft fabric to protect the ankle, which significantly increases the comfort of use. Boots recommended in logistic, transport, automotive industry, renovation and construction works. They are perfect for indoor use (e.g. halls).
