

Protective shoes, S1P, SRC, size 42

Termékleírás

Men's safety shoes in accordance with the S1P safety class ISO 20345:2011. Footwear made of chamois leather is conducive to the convenience and comfort of use. The shoes are equipped with a steel toe cap that protects the toes, among others against falling objects, debris, tools. Thanks to the non-slip sole, the shoes are perfect for walking on uneven and slippery surfaces. Shoes recommended in the logistics, transport, automotive industry, renovation and construction works. They are perfect for closed rooms (e.g. halls).
