

PRODUCT INFORMATION SHEET

HASSO protective trousers dkgrey S (48)

Product description

Professional HASSO men's protective trousers combine high quality materials with functionality and safety. The increased elasticity of the trousers makes them suitable for a variety of jobs, without restricting the user's movements. Additionally, the reflective details used ensure work safety after dark. OXFORD fabric reinforcements and detachable tool pockets make the trousers not only comfortable but also practical. Ideal for professionals specializing in manufacturing, construction, transport and automotive mechanics.
