

TREBEL melegítőnadrág zsebekkel fekete S (48)

Termékleírás

Carefully crafted men's sweatpants. High-quality materials provide durability and high comfort of use. Knitted 65% cotton and 35% polyester protects against excessive sweating and discomfort, does not discolor and does not pill. In addition, the technical cut does not restrict movement, and the added **reflective details** allow you to increase the safety of work after dark. The front of the leg from the bottom to the knees has been reinforced with abrasion-resistant **OXFORD 600D** material. The pants are available in black with blue accents and a wide range of sizes (from S to 3XL). They were created with professionals in mind. Ideal for production, construction, transport and car mechanics. They are perfect for service, assembly and technical work.
