

LEDA warning jacket parka insulated orange L

Termékleírás

Modern, insulated men's parka warning jacket. It has two reflective tapes around the shoulders and sleeves and one tape around the torso. Carefully made of the highest quality materials. It provides maximum comfort and protection against cold and wind. It also protects against rain (water resistance at 2000 mm H₂O). It increases safety when staying in conditions of limited visibility, e.g. during movement at night and during bad weather conditions, e.g. during rain or fog. Especially recommended in autumn and winter.

Jellemzők

- Material: 100% Oxford 300D polyester, PU coating, water resistance 2000mm H₂O;
- filling: 100% polyester, jacket and sleeves 160 g/m², hood 100 g/m², quilted lining;
- product in accordance with EN ISO 13688, EN ISO 20471 class 2 and EN343, glued seams;
- Parka type cut;
- pockets: 2 bottom pockets, 1 inner pocket, e.g. for documents;
- hood: fixed hood with filling;
- high collar for better protection from wind and precipitation;
- adjustment: elastic band at the bottom of the sleeves;
- double-sided zipper (unfastened from above and below);
- a contrasting dark panel at the bottom prevents excessive soiling of the jacket.
